ELDERHOUSE

ADULT DAY CENTER

A caring place for seniors. A caring place for the day.

**You made a promise to
care for your loved one
at home.**

**ElderHouse can help
you keep it.**

For most caregivers, being there when an older loved one needs you is a treasured family value. Providing care and support has many rewards and fulfills the promise to keep generations together under one roof. But as your loved one ages, caregiving can become challenging. Older adults can suffer from memory loss, physical impairment, isolation, the inability to perform activities of daily living and greater dependency on others.

ElderHouse provides support to aging seniors and their family caregivers. Our award-winning adult day program offers seniors full days of social engagement, enjoyable activities, nursing supervision and personal care at an affordable all-inclusive rate, while caregivers benefit from a few days a week away from caregiving duties.

Our Commitment

For over 40 years, families have counted on ElderHouse to help keep their oldest members living at home. Through a program of the highest quality services, supported by an unmatched staff tenure, ElderHouse has a proven track record of delivering what families need to keep their promises.

"ElderHouse provided comfort, care and kindness to my husband and me. I knew he was safe and cared for and he loved the people and center. It was a blessing at a time of difficulty and concern. I am forever grateful to everyone at ElderHouse."

Door-to-Door Transportation Included

ElderHouse serves Darien, New Canaan, Wilton, Westport, Weston and Norwalk. There are no additional fees to transport your loved one to and from our adult day center. Our experienced drivers have impeccable driving records and safely assist your loved one on and off our vans.

"Seeing friends at ElderHouse makes me happy."

CAREGIVERS

An Affordable All-Inclusive Rate

What differentiates ElderHouse from other service providers is its affordable all-inclusive rate. We offer services two to four days a week including transportation, nursing care, medication administration, personal care, meals and activities in one daily fee. Compare us to home health care (\$25-\$30/hour) or assisted living facilities (\$5,000-\$10,000/month) and you'll find ElderHouse to be the most affordable.

Financial Assistance

As a not-for-profit, ElderHouse is open to those who need our services regardless of their ability to pay the full rate. We provide help in enrolling in state and local financial assistance programs and offer a sliding scale to those who qualify.
